I hand craft unique jewellery with Sterling silver, copper, brass, silver or gold plated wire and semi-precious stones, crystals, pearls and decorative beads. I also make my own unique decorative components in polymer clay.

All orders from my on-line shop are gift wrapped and prices include UK post & packing. I am happy to consider custom orders, e-mail me on; boo@zen.co.uk. I also have a shop on Etsy: <http://boojewels.etsy.com>

Many items are one-of-a-kind. Jewellery illustrated; from £11 to £40.
